Block 2

Framework
for Block 3

All ready for
concrete base
floor

Working on base
floor with ReadyMix
Concrete

Base floors are
ready for Block
2 and 3

Pillars of Block 2
and 3

SCHOOL PROGRAMME UPDATE

Academic year (2015-16) is full of innovative activities. After Annual Cultural Event “Kilkaar” in January 2016, students were taken to the ancient historical site of Dholavira, where they learnt about the ancient civilizations and also got an opportunity to spend some time with the students of Shishukunj Nilpar. It was memorable experience for the children. Students also visited water harvesting plant and learnt various methods of water conservation.

"Sinchan Sarjan", an exhibition of expressions by the children was organised in April 2016 where their paintings and creative outlets were appreciated by everyone.

As further significant developments happen we will share in due course. If you need any further information or wish to pledge a donation, then email

Ashaben at admin@shishukunj.net
