SCHOOL PROGRAMME UPDATE

1

2

Shishukunj International School, Bhuj is making optimal use of the new campus which provides ample opportunities to facilitate indoor and outdoor learning process. The new academic session (2017-18) started in April. The school has been bubbling with various activities like Pottery Workshops, Physics Practical sessions, Over-night camp in school and Trekking for older children, a Fun Evening for younger children and innovative pre-school activities along with regular academic activities.

The photographs show-

1. Children practicing cycling
2. A flower shaped vegetable garden project undertaken by children
3. International Yoga Day celebrated in school
4. Students trek to a near by hill.
